

**Remember as Winston Churchill said: “You make a living by what you get,
but you make a life by what you give.”
Winston Churchill**

Well it’s that time of year again. Buckeye Horse Park is looking for volunteers for the 2010 season, May thru October.

We are completely dependent on the funds produced by the shows at the Horse Park. If the Horse Park doesn’t put on shows, we would not be able to keep the Park open. In order to maintain and make improvements to the Horse Park, we need committed and energetic volunteers. We welcome both youth and adult volunteers. No matter what your interest is, or what your skill level is, we can match you with a position and **YOU** can be a part of our dedicated group of volunteers.

There are many benefits to volunteering at Buckeye; **YOU** will ensure that 4H equine clubs, Pony Club, Pony Breeders, Up & Over, and the Hunter Circuit continue to have a park for events and **YOUR** time enables us to give 4H equine clubs and Pony Club free riding meetings at the Park.

Please consider volunteering for any of the many positions; Food Booth, Registration, Announcer, Scoring/Ribbons, Setup Crew, Paddock Crew, Jump Crew, Cleanup Crew, etc.....

Some of the volunteer opportunities are listed below. Please contact me, if you are interested in any position or have some time before or after the competition and would like to help set up or take down.

<u>2010 BHP Shows</u>	<u>2010 Projects</u>
